The background of the entire image is a photograph of a landscape. It features rolling hills under a dramatic sky with dark, heavy clouds and a layer of mist or low clouds at the base of the hills. A single, bare tree stands on a small rise in the middle ground. The overall color palette is muted, with blues, greys, and soft oranges from the light filtering through the clouds.

A photograph of a mountain goat with large, curved horns resting on a rocky ledge with yellow flowers under a clear blue sky. The goat is shown in profile, facing left. The horns are thick and have a series of small ridges along their length. The goat's fur is a light brown color. The background is a solid, clear blue sky. The foreground consists of grey, jagged rocks and some green grass with small yellow flowers.
